

**Meeting Announcement and Agenda
Water Availability Work Group
Tuesday, October 22, 2013
1:00 p.m. – 4:45 p.m.
William F. Laman Public Library
2801 Orange Street, North Little Rock, AR**

Meeting Purpose: Review and discuss draft water supply availability results. To obtain general agreement from the Work Group to proceed with finalizing draft results for presentation at the Public Information and Stakeholder Involvement Meetings that are scheduled for Spring 2014.

The meeting will be among technical experts on the Water Supply Availability Work Group. The public is welcome to attend the meeting. Interactive public meetings will also be scheduled throughout the planning process once the technical work progresses to a point where results have the concurrence of the Water Supply Availability Work Group. The meeting plan for the Arkansas Water Plan Update can be found at <http://arwaterplan.arkansas.gov/meetings.html>.

Agenda:
