

**Conference Call Notice and Agenda  
Surface Water Availability Sub-group  
Tuesday, May 21, 2013  
Arkansas Natural Resources Commission  
Sparta Room  
101 East Capitol, Suite 350  
Little Rock, AR 72201  
1:00 p.m. – 2:30 p.m.**

**Meeting Purpose:** To discuss next steps for the surface water availability subgroup and receive feedback on the methods presented at the April 25, 2013 Water Supply Availability Work Group meeting. The meeting will be a working conference call among technical experts. The public is welcome to attend the conference call at the Arkansas Natural Resources Commission's (ANRC) offices. Interactive public meetings will also be scheduled throughout the planning process once the technical work progresses to a point where draft results are developed. The meeting plan for the Arkansas Water Plan Update can be found at <http://www.arwaterplan.arkansas.gov/meetings.html>

**Agenda:**

- 1:00 p.m.      Introductions.
- 1:10 p.m.      Review methods for assessing surface water availability and received feedback from the Sub-group. An example of excess surface water calculation will be provided.
- 2:00 p.m.      Review locations where excess surface water will be assessed.
- 2:15 p.m.      Action item summary and next steps.
- 2:30 p.m.      Adjourn.

**Directions/Parking:** Parking is available in the parking garage southeast of the ANRC. The entrance to the parking lot is located near the intersection of East 6th Street and Scott Street. Please bring in your parking stub and ANRC can validate for you.
